

# Topsoil Program

## Prices and Procedures

Updated: April 2023

Demand for topsoil at our Caro and Sebewaing factories has increased significantly. As a result, Michigan Sugar Company will begin charging non-members who receive topsoil.

### Pickup Procedure for Caro

Customers picking up topsoil in Caro **are not** required to weigh at the factory scales because of the distance from the loading area to those scales. All customers (including members) must provide their coupon to the loader operator before loading. The operator will approximate the load size based on the coupon presented.

### Pickup Procedure for Bay City & Sebewaing

Customers picking up topsoil in Bay City & Sebewaing will weight in and out at the factory scale. All customers (including members) must provide their coupon at the scale before loading.

Members and non-members are the two groups of customers who are recognized in the procedures. Pricing and procedures are as follows:

### Members

**Members will not be charged for topsoil but will have to print topsoil coupons to receive the product. This procedure is very similar to the Lime Program.**

One topsoil coupon is required for each load of topsoil shipped. Members may obtain coupons in the Agricultural Office at any factory location. The office staff will print coupons. Members may also print coupons from the Michigan Sugar Company website. If you would like to print your coupons on the website, it is not necessary to visit the office; you may take your printed coupon directly to the scale house in Sebewaing or present it to the loader operator in Caro.

To print your lime coupons online:

- Go to [www.michigansugar.com](http://www.michigansugar.com).
- Log in using your member assigned user ID and password.
- Once logged in, click on the Main Tab.
- Click on “Print Lime/Topsoil Coupons” under the Member Information.
- Fill out the order form and click “Place Order.”

**Topsoil received by members is intended for use by them only and not intended for resale. Members allowing any non-member to purchase topsoil on their account will be charged non-member pricing for all topsoil received in that year and in the next two consecutive years.**

### Non-members

Non-members can pre-purchase topsoil coupons in the Agricultural Office at any factory location.

Coupon prices are:

<b>\$25 for up to 10 tons</b>	<b>\$45 for up to 20 tons</b>	<b>\$80 for up to 30 tons</b>
<b>\$100 for up to 40 tons</b>	<b>\$150 for more than 40 tons</b>	

Pre-paid topsoil coupons left over from one year are not valid the next year.

### Contact Information

If you have further questions regarding Michigan Sugar Company’s Topsoil Program, please contact your local Agricultural Office.

Material Safety Data Sheets (MSDS) for topsoil are available upon request.
