MEMBERS: Coupons are available on the company website.

To print your lime coupons online:

- Go to www.michigansugar.com and log in using your member assigned user ID and password.
- Click on the Main Tab then click on “Print Lime/Topsoil Coupons” under the Member Information.
- Fill out the order form and click “Place Order.”

Members with a current planting agreement in place will have the cost of lime shipped deducted from future beet payments, otherwise Michigan Sugar Company will invoice for lime shipped.

Lime purchased by members, is intended for use on land controlled by them only and not intended for resale. Members allowing any non-member to purchase lime on their account will be charged non-member pricing for all lime received in that year and in the next two consecutive years.

NON-MEMBERS: Coupons can be pre-purchased in the agricultural office at any factory location.

- Pre-paid lime coupons left over from one year are not valid the next year.

Demand for lime at our factories remains strong as area growers continue to see the benefit of lime application in crop yield and quality. To ensure adequate supplies of lime for all shareholders, the policy limits lime sales in Caro, Croswell and Sebawaing to four (4) tons of lime per sugar beet share owned for members of the Co-op.

There are no Non-Member lime sales in Caro, Croswell or Sebawaing.

NOTE -- There will be NO LIME LOADING at Carrollton for the next 6 months.

Growers and non-members needing additional lime need to be loaded out of Bay City.

Screened lime will be available starting in mid-April.
