- Fill out the order form and click “Place Order.”

Members with a current planting agreement in place will be able to get topsoil for no charge.

Topsoil purchased by members, is intended for use on land controlled by them only and not intended for resale. Members allowing any non-member to purchase topsoil on their account will be charged non-member pricing for all topsoil received in that year and in the next two consecutive years.

NON-MEMBERS: Coupons can be pre-purchased in the agricultural office at any factory location.

- Prepaid topsoil coupons left over from one year are not valid the next year.
- Credit Cards will be accepted for prepaid orders starting June 2024.
- **Prepaid customers who choose to pay by check will receive a 3.5% discount.**

Pickup Procedure for Caro

Customers picking up topsoil in Caro **are not** required to weigh at the factory scales because of the distance from the loading area to those scales. All customers (including members) must provide their coupon to the loader operator before loading. The operator will approximate the load size based on the coupon presented.

Pickup Procedure for Bay City & Sebewaing

Customers picking up topsoil in Bay City & Sebewaing will weigh in and out at the factory scale. All customers (including members) must provide their coupon at the scale before loading.

Contact Information
